We appreciate his/her enthusiasm and wish him/her all the best for the future.

Stories have the power to transport us to a new world or a different time. The concept behind this National Story Writing Competition is to provide our young writers a stepping stone to be published authors as well as promote creativity, while giving them an open forum to showcase their talent. There is no dearth of creativity in the country, but there is a need to find and encourage them.

City Mumbai

We appreciate his/her enthusiasm and wish him/her all the best for the future.

Stories have the power to transport us to a new world or a different time. The concept behind this National Story Writing Competition is to provide our young writers a stepping stone to be published authors as well as promote creativity, while giving them an open forum to showcase their talent. There is no dearth of creativity in the country, but there is a need to find and encourage them.
